About All Things Business, LLC.

All Things Business, LLC. is a nationally serving certified MBE/WBE/WOSB consulting firm founded and led by Dr. Barbara R. Primm. With over 20 years of hands-on experience, we provide high-impact consulting to nonprofits, healthcare organizations, government contractors, and small businesses — helping them secure funding, achieve compliance, and build the operational infrastructure needed for sustained growth.

We are trusted by federal and state agencies, community foundations, and prime contractors seeking qualified, certified subcontractors with demonstrated expertise and a proven delivery record. Our LLC / S-Corp structure, active SAM.gov registration, and full MBE/WBE/WOSB certifications make us a ready, compliant partner for government contracting engagements at every level.

Core Competencies

Grant Research & Development

Full-cycle grant consulting — prospect research, eligibility analysis, proposal writing, budget narratives & post-award compliance. Experienced with federal agencies (DOL, HHS, HUD, DOE, USDA), state programs, corporate foundations, and community funders nationwide.

Government Contracting Support

End-to-end contracting readiness: SAM.gov registration, NAICS strategy, capability statement development, 8(a)/HUBZone/WOSB certification support, teaming agreements, and full proposal writing for federal and state solicitations. Available as prime or subcontractor.

Nonprofit Formation & Governance

501(c)(3) entity formation, IRS application preparation, bylaws, board governance frameworks, conflict of interest policies, and first-year compliance infrastructure for nonprofits, faith-based, and community organizations.

Healthcare Compliance Consulting

Licensing & compliance for Medicaid waiver providers, home health agencies, adult day care, and behavioral health organizations — DMH narrative reviews, policy development, corrective action response, and Medicaid revalidation.

Strategic Planning & Org. Development

Business plan development, organizational assessments, operational systems design, change management facilitation, and workforce development consulting for nonprofits, contractors, and small businesses.
